FINDINGS WITH SARIMA AND FB PROPHET

**SARIMA
(2020
EXCLUDED)**

**SARIMA
(2020
INCLUDED)**

FB PROPHET

**HYPERTUNED
FB PROPHET**

RMSE

6.59

25.95

24.54

31.50

MAPE

83%

71%

81%

75%

FURTHER WORK

MORE DATA

Post COVID, when the market calms a bit, gathering more data

ANALYSIS

Test more SARIMA parameters and tune hyperparameters more in FB Prophet

MODELS

Try out different models, such as LSTM
